## #1 PEANUT BUTTER AND JAM

peanut peanut peanut butter and JAM  
peanut peanut peanut butter and JAM  
peanut peanut butter, peanut butter and JAM

you got your strawberry  
your hem and hee and haw berry  
you got your raspberry  
your all that jazz berry  
you got your blueberry  
your what you gonna do berry  
you got your blackberry  
you gotta bring it on back berry  
take it on back to...

you got your gooseberry  
your goose on the loose berry  
you got your boysenberry  
your boys 'n' girls 'n' boysenberry  
you got your lingonberry  
you gotta keep on singin' berry  
you got your salmonberry  
**you gotta keep on JAMmin' berry**

JAM, JAM, JAM, oh yeah, I say, JAM, JAM, JAM...

you got your almond, macadamia  
your filbert, too  
you got your walnut, your soy nut  
and don't forget the cashew  
brazil nut, pistachio  
but if you're askin' me  
the best nut for makin' butter is  
L M N O P-nut...

## #2 TREE HOUSE

I've got an axe, gonna chop chop chop  
I've got an axe, gonna chop chop chop  
I've got an axe, gonna chop chop chop  
gonna build myself a tree house

I've got a saw, gonna cut cut cut...

I've got a hammer, bang bang bang...

I've got a screwdriver, twist twist twist...

I've got a paintbrush, swish swish swish...

I've got a ladder, climb climb climb...  
I'm gonna climb up into my tree house

I've got a telescope spy spy spy...  
**I can see the world** from my  
see the world from my  
see the world from my tree house!

## #3 SURF CHECK

dude, it's big!

## #4 RIDIN' THE BIG WAVES

runnin' down to the water  
runnin' down to the water  
runnin' down to the water  
everybody's ridin' the big waves

paddlin' into the ocean...

divin' under the waves...

chillin' out, waitin' for the set...

paddlin' hard, into your wave...

standin' up on your board  
droppin' in and makin' the bottom turn  
stallin' and **you're deep in the barrel**  
...wipe out!

dude, I got worked!

## #5 GOIN' FISHIN'

oh I went on down to the riverside  
found a place deep and wide  
and I looked around hopin' for a sign  
then I saw the fish a-jumpin' high

you gotta bait the hook (bait the hook)  
cast the line (cast the line)  
you gotta reel it on, reel it on, reel it on in  
goin' fishin' and **feelin' fine**

well I found a place where the trees were thick  
and I searched the ground for the perfect stick  
and I whittled and I whittled and I whittled it down  
soon I had the best fishin' pole around

oh I perched myself on a rock by the shore  
and I fished and I fished and I fished some more  
well I caught so many little fish that day  
but you should have seen the giant one that got away

## #6 COUNTING TRICKS

1 2 3 4 5  
once I caught a fish alive  
6 7 8 9 10  
and then I threw it back again

2 4 6 8 10  
once I caught a big fat hen  
1 3 5 7 9  
but I took it back because it wasn't mine

5 10 15 20  
once I found some bees in my honey  
20 15 10 5  
so I chased 'em back to their old bee hive

nothing, something, **ininity**  
**is so very huge you can't even see it**  
infinity all the way down to zero  
is so very teeny you can't even go there

10 9 8 7 6  
are you tired of all these counting tricks?  
5 4 3 2 1  
well that's a good thing 'cause we are done!

## **#7 FROM HERE TO THERE**

I'm an airplane, I'm an airplane  
fly-fly-flyin' up in the sky  
I'm an airplane, I'm an airplane  
flyin' up in the sky  
a-dye-dyedn-dyedala-dye

I'm a freight train, I'm a freight train  
chug-chug-chuggin' on down the track...  
a-da-dadn-dadala-dack

I'm a big bus, I'm a big bus  
drive-drive-drivin' on down the street...  
a-deet-deetn-deedalee-deet

I'm a sailboat, I'm a sailboat  
sail-sail-sailin' on the ocean blue  
a-doo-doodn-doodala-doo

I'm a bicycle, I'm a bicycle  
ped-ped-pedallin' down the road...  
a-doa-doadn-doadala-doad

I'm a skateboard, I'm a skateboard  
shred-shred-shreddin' down the sidewalk...  
a-daw-dawdn-dawdala-dawk

and if you have to get from here to there  
there are a million ways to go  
and if you have to get from there to here  
you can fly...chug...drive...sail...pedal...or shred  
where you're goin' oh

**I'm a human, I'm a human**  
hike-hike-hikin' on down the trail...  
a day-daydn-daydala-dayl...

## #8 WIGGLE

you're gonna wig-wig-wiggle, wiggle around  
wig-wig-wiggle all over town  
you're gonna wig-wig-wiggle up and down  
you're gonna wig-wig-wig-wig-wiggle  
wig-wig-wiggle around

break it down now  
wiggle your eyes, wiggle your nose  
wiggle your fingers, wiggle your toes  
wiggle your elbows, wiggle your knees  
wiggle your cheeks, wiggle your tongue, please  
wiggle your hands, wiggle your feet  
wiggle your brain, wiggle your teeth

break it down again  
wiggle your forehead, wiggle your lips  
wiggle your shoulders, wiggle your hips  
wiggle your ears, wiggle your chin  
wiggle your hair, wiggle your skin  
wiggle your smile, wiggle your frown  
wiggle your spine all the way up and  
wiggle it all the way back down

you're gonna wig-wig-wiggle  
wiggle your head  
wiggle and a-shake it, that's what I said  
you're gonna wig-wig-wiggle  
wiggle your arms  
wiggle like mighty with all your charm  
you're gonna wig-wig-wiggle  
wiggle your belly  
**shake it all up like a jar of jelly**  
wig-wig-wiggle, wiggle your legs  
no more moanin' and no more beggin'  
wig-wig-wiggle, wiggle around  
wig-wig-wiggle all over town  
you're gonna wig-wig-wiggle up and down  
you're gonna wig-wig-wig-wig-wiggle  
wig-wig-wiggle around

and then another one really small  
throw your scarf into the sky

and then you dance, dance, dance  
and then you dance, dance, dance  
and then you dance, dance, dance  
all night long

draw a line from side to side  
and then another from bottom to top  
draw an X to mark the spot  
and then connect from dot to dot

take a shower get good and wet  
towel off get good and dry  
how low how low can you go?  
**how high how high can you fly?**

hide yourself right underneath  
no one knows where you are but you  
you found a very secret hiding place

everyone's hiding  
where did they go  
I can't find them  
I don't know  
they must be around  
but I don't know where  
over here  
or under there  
if I can't find them  
what'll I do?

boo boo boo, peek-a-boo...  
don't you peek until I say  
b-b-b-b-b-b-b-b-BOO!
